Dear Friends:

I hope that you'll find this directory helpful for a variety of purposes. To improve the accuracy and the currency of the directory, we have only published information from libraries that have updated their listing within the last two years. Thank you to those library staff members who took the time to do so.

Updating your library's information is easy – just follow these easy steps:

- Go to: <http://montanalibraries.org/Directory/Main/mldHome.asp>
- Click the "Edit" button.
- Use the drop-down lists to narrow the search for your library, and then click the "Search" button.
- Click on the name of your library; this will get you to your library's login screen.
- Enter the password that you use to access your library's directory.
- Click on the "Login" button; this will get you to the Main Menu.
- Click on menu item: "Update your library information." This will bring you to the Library Update screen.

Karen Strege, State Librarian

As in past years, MSL provides each library that updated their listing within the time allowed with one paper copy of the directory. If you would like more copies, we also offer this publication online. To access the online version, visit our website at <http://msl.state.mt.us> and click on the Online Publications icon. You can choose to print the directory by selecting the "Montana Library Directory - PDF" link. If you wish to browse the directory online, choose the "Montana Library Directory Online Database" link. We encourage you and your staff members to use these online versions.

We welcome your questions and comments about this publication. Please contact Tristen Shinnick at (406) 444-3115 or e-mail her at [tshinnick@state.mt.us](mailto:tshinnick@state.mt.us).

Sincerely,

A handwritten signature in cursive script that reads "Karen Strege". The ink is dark and the signature is fluid.

# Networking Task Force

---

Twelve Montana librarians and library users comprise the Networking Task Force. Members represent all types of Montana libraries (academic, public, school and special), from all over Montana. The Task Force advises the State Library in matters relating to library networks, resource sharing, library automation, online library resources, and training.
